## Satisfaction Guarantee

As highly trained and skilled Salon Professionals we want you to be super-pleased, in fact absolutely delighted with everything we do. So we stand behind every service 100%.

What does that mean? Simply this:

If you aren't happy with anything we've done, we'll touch up or change whatever you don't like for FREE. It's your choice. Many salons don't guarantee their work; but we do. Nothing is more important than your complete and total satisfaction.

If you ever have any questions or concerns, please call or visit us right away.

***\*\*If you ask or insist that your stylist deviate or not use products as per the manufacturers instructions this guarantee will not apply\*\****

## Quotes

We have a 'sliding scale' price list. Which means each stylists services are priced based on their years of experience and qualifications. The price however does not change the time your stylist spends with you. Quotations are available on request, however we do prefer not to quote over the phone as we can't see your hair and cannot correctly diagnose what services you may need. You can book in for a FREE 15 minute consultation with any one of our stylists and they can accurately provide you with a quotation and secure your booking.
