Summer Rehab

The best part of living in Darwin NT would have to be our endless supply of sun, pools and swimming. All of these things however take their toll on our hair. Luckily with the introduction of the new KMS Moist Repair shampoo, conditioner, and treatment all of the summer ravages can be cured. They smell fantastic and will leave your hair moisturised and beautifully shiny, ready for the dry months again.

Chocolate Brown

They say that blondes have more fun. They say that brown hair is mousey brown. Who are they anyway? Well it's time to set the record straight, the newest fashion colour is chocolate brown. Whether it is the dark chocolate you seek or just a milder milk chocolate, we now have some beautiful browns to choose from. So join the revolution, turn mousy brown into jaw dropping luscious chocolate. The only thing left to ask is can you handle all the new attention?

Company Chitchat

So...what's been happening on the company front? Stacks! Colette and Fiona bought out their business partners and now own all the shares in Stone Island Investments Pty Ltd, the Coolalinga salon has been sold, Rhiannon has moved to Perth and Peta has moved to Brisbane! Both girls will be truly missed and we wish them both lots of success. Congradulations to Brooke for completing her apprenticeship and graduating to a qualified stylist in September. Some new staff are joining us over Christmas and in the new year (watch this space for their pic and the lowdown!).

KMS headremedy Clarify Shampoo

For all those swimmers Clarifying shampoo is your new best friend, in fact everyone should have a bottle in their cupboard despite whether you're a swimmer or not. Darwin's water is full of lovely minerals, our life styles are active and social which mean we go out a lot more, lucky us! Clarifying once every 2 weeks will keep your hair fresh all year round.
