Brooke Candida – Salon Stylist

Born and bred in the territory, Brooke was the first apprentice/trainee to be trained, qualify and stay on as staff! Brooke is emerging as a very talented stylist who thrives on her cutting and is constantly setting new goals for herself; and achieving them. Winner of the IHS Junior Stylist of the year in 2004, she went on to compete in the national competitions in Sydney and placed 2nd in Catwalk 2005 and 3rd in Catwalk 2006. Her imagination and the way she goes about expressing it keeps us constantly surprised! Brooke loves the outdoors and spends most of her spare time with family and friends fishing, camping or just enjoying a good cocktail.

Leticia Chard – Salon Stylist

Leticia joined our team in May and already it feels like she's been with us for years! Leticia moved to Darwin for a breath of fresh air, and she couldn't have come at a better time of the year with the Dry Season officially upon us! Arriving just in time to attend our workshop with Matt Sawyer, she demonstrates a great enthusiasm for her cutting, colouring and learning new techniques. She enjoys entering Triathlons and keeping herself fit and healthy.

Its BACK due to popular demand!

Company Chitchat

Did you know it's our 10th birthday coming up in April 2008? And after nearly 10 years we are introducing a new company logo and identity to Stone Island. Over the next few weeks you'll see our business cards, signage, web site and overall corporate image change. Our industry is ever changing with new products, colours and techniques coming out all the time. This is why we thought it was a good idea to have a fresh change for the next decade! Like our hair we wanted a new look and worked with the team at Sprout Creative to design a new logo. We love the new logo and colours and hope you do too! We'll keep you posted on our planned birthday celebrations!
